*"During the night Paul had a vision of a man of Macedonia standing and begging him, 'Come over to Macedonia and help us.' " Acts 16:10*

Rev. Trip preached on dreams last Sunday. A song in "South Pacific" goes like this: "If you don't have a dream, how ya gonna have a dream come true?" In Proverbs we read "Where there's no vision the people perish." (KJV) Have you seen the East End Cooperative Ministry in East Liberty? The handsome building accommodates community services for: food and meals, housing (emergency shelter, recovery), employment (including education and literacy), children and youth. It began as a dream. Paul's mission to Europe began with a vision (Acts 16). Visionaries tend to be the greatest doers. Has God given you a vision for our church?
