## General Information:

Mt. Hope Community Presbyterian Church has been an important part of the Penn Hills Community for the last 75 years. Always trying to listen to and reach the needs of the community that surrounds it. We are a congregation that follows God's teaching of kindness, caring, inclusiveness, and compassion for all. Through our love of Christ and by following His examples, we constantly strive to help make our community and world a better place for all.

### You are invited...

You are invited to worship with us whenever you can. We would love to get to know you and your family better. We know that this pandemic has not been easy. People are feeling more isolated and alone because of it. We want you to know that if you are feeling this way, you are not alone, and that our Church family always has room to welcome you and pray with you. If you can't make an in-person worship service (or you do not yet feel comfortable in a larger group), then we encourage you to at least check out one of our Sunday Live Streams on our Facebook page.

### Current active Ministries... and Growing: Hearts and Hands Ministry

Every Thursday, this group of amazing people gather to give their time and talents to God for His work in and around our community. This ministry has stepped up to help many organizations, like Children's Hospital, Seneca Place, the Military, and Family Care Connections.

### Art Club Ministry

Every Thursday night, this group gathers to share in fellowship and community as they engage in artistic endeavors. No skill is needed, just a willingness to try something new, meet new people, and make some beautiful art.

### The Clothes Line Ministry

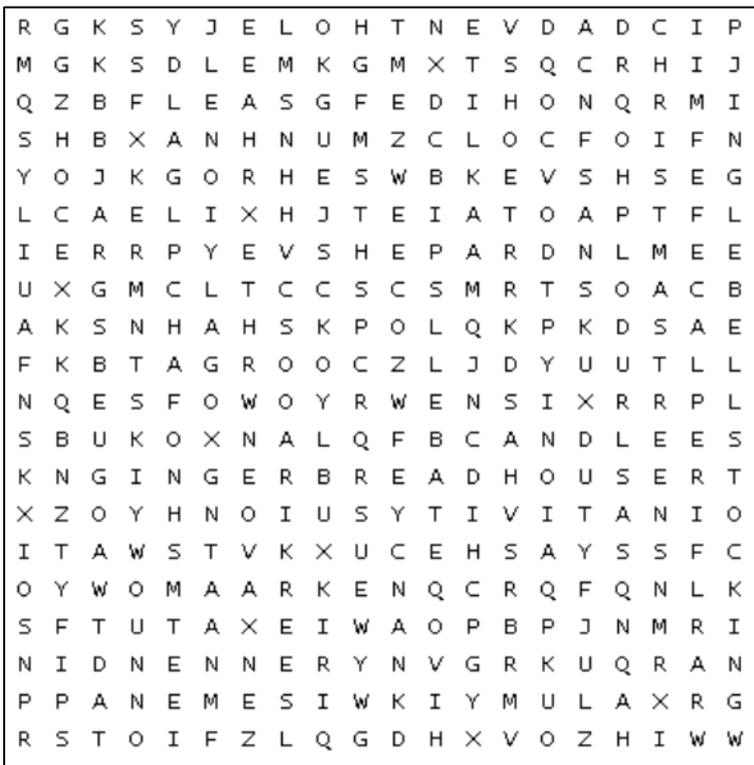

Open Thursday mornings, this ministry provides FREE gently used clothing for people in need in the Penn hills and surrounding areas.

### Supporting other great Ministries

Our church family continues to support many wonderful ministries in and around our community, like suppling tents and sleeping bags for the homeless to help the Bridge to the Mountain, Supporting the needs of the families at FCC, and providing holiday meals to the service men and women that are working on Holidays

### Community Outreach Ministry

Our outreach committee continues to add community events throughout the calendar year, that tries to help, support, and form a more loving and connected community. Like our Facebook page or follow our website to stay up on all our upcoming planned events.

# Name that Christmas tune?

Each line below is a clue to a well-known yuletide song. You'll have to decode some lofty language to come up with the carols.

1. Listen to the celestial messengers produce harmonious sounds
2. Embellish the interior passageways.
3. Twelve o'clock on a clement night witnessed its arrival.
4. The Christmas preceding all others.
5. Small municipality in Judea south of Jerusalem.
